Participation in Relay Events

European Athletics Championships 2012

Helsinki/FIN

Notes :

- The qualification procedure was based on the aggregate of the two fastest times achieved by national teams in the qualification period. A minimum of three different international teams, representing at least three countries, must compete in the race for the result to be considered for qualification. Performances must be achieved between the 1 January 2011 and **10 June 2012.**
- The European Athletics Member Federation of the host country was allocated 1 (one) place in each relay.
- When a qualified team (Top 16) did not wish to use its right of participation, the next ranked team was included.
